WM. KNABE & CO.—*Graduation.*

I have great pleasure in certifying that I have had your Piano-Flutes and that they are well made, to say the least, to any in this country. Among their qualities is a decided brilliancy of tone, and the evenness of tone, and the success with which you have made them, will be seen in any article of its kind.

Yours truly, J. H. THOMAS.

WM. KNABE & CO.—*Graduation.*

Having had lately an opportunity to view your new grand scale grand piano, I can assure you that your piano-flutes and grand piano are well made, to say the least, to any in this country. Among their qualities is a decided brilliancy of tone, and the evenness of tone, and the success with which you have made them, will be seen in any article of its kind.

Yours truly, L. M. GOTTLIEB.
